**SAFEWAY INC.** is a Fortune 50 company and one of the largest food and drug retailers in North America based on sales. The company operates over 1,700 stores in the United States and Canada. Our pharmacists:

- Enjoy a full professional career, not just a job, with advancement opportunities and a company culture that supports new ideas and teamwork.
- Practice in a community pharmacy setting with a workflow model that allows maximum patient contact and ability to follow up with patients.
- Participate in our robust Pharmacy Care Program that includes immunization, travel medicine, MTM, point of care screening, and more.
- Are managed by pharmacists – our pharmacy managers, regional managers, director, all the way up through our senior vice president are all pharmacists – which means decisions made in pharmacy are made by pharmacists.
- Work with their pharmacy team to enable flexible schedules and a work/life balance for each employee. Our pharmacies are not open 24 hours per day.
- Like that less than 2% of all our pharmacies have drive-thru windows. (There are NO drive-thrus in the Seattle Division!)
- Benefit from a competitive salary, medical, dental, vision, flexible spending accounts for medical and dependent care expenses, 401(k) plan, company-funded pension plan, annual bonus plans, disability and life insurance, paid sick/holidays/vacation, and more. (Benefits may vary by State in the U.S. and in Canada.)

SAFEWAY IS AN EQUAL OPPORTUNITY EMPLOYER.

## Washington State

Kitsap County: Port Orchard, Bremerton, Belfair, Bainbridge Island

- U.S. Navy is largest employer in the area.
- Ferry connections to Seattle, West Seattle, and Edmonds.
- Situated between the Olympic and Cascade Mountain ranges.
- With spectacular views of mountains and water at every turn, many communities grew around their waterfront and offer marinas, shops, galleries, yacht clubs, and restaurants.
- World-class golf courses, endless recreational activities, and over 300 miles of shoreline.
- Continues to be listed on Money Magazine's annual "Top Places to Live" list.

Olympic Peninsula: Shelton, Port Townsend, Sequim, Port Angeles

- Home to some of the few temperate rain forests in the world, including the Hoh, Queets, and Quinault. Rain forest vegetation is concentrated primarily in the western part of the peninsula, as the interior mountains create a rain shadow effect in areas to the east, resulting in a much drier climate in those locales.
- Major salmon-bearing rivers and natural lakes, as well as state and national parks.
- Beautiful scenery inspires a more relaxed lifestyle.

Columbia District: Leavenworth, Wenatchee, East Wenatchee, Lake Chelan

- Beautiful landscape filled with mountains, lakes and rivers, vineyards, and apple orchards.
- Cascade Mountains nearby with multiple ski and snowboard resorts during the winter.
- Leavenworth: a Bavarian-themed town right out of a fairy tale!
- Live in a vacation destination at Lake Chelan, a gorgeous lake with fishing, boating, and wineries.
- With four distinct seasons, 300 sunshine-filled days a year, a river running through town and nearby mountains, Wenatchee is an urban center in the heart of the Columbia District.

Ephrata, Moses Lake, Grand Coulee

- With a beautiful rocky landscape, this mini-Grand Canyon area offers plenty of nearby rivers and lakes for fishing and boating enthusiasts, as well as wonderful spots for camping and hunting.
- Grand Coulee Dam, the seventh largest producer of hydroelectricity in the world, is a marvel of modern engineering.

Yakima District: Ellensburg, Yakima, Toppenish

- Located in famed fruit and wine country, Yakima and its surrounding towns offer warm temperatures, cool evenings, an average rainfall of eight inches, and 300 days of sunshine.
- Cascade Mountains nearby with multiple ski and snowboard resorts during the winter. Hiking and mountain biking activities during the summer.
- Yakima, self-proclaimed the Palm Springs of Washington, offers an urban center with everything you need.
- Ellensburg, a small college town, offers a vibrant youth feel in a quaint Western-style town with charm and hospitality. Lively with music and wine-tasting festivals.
- Toppenish was named one of the "20 Best Places to Live in the West" by American Cowboy Magazine for providing its residents and visitors an authentic Western experience.

Central Washington, Lower Valley: Sunnyside, Grandview, Richland, Kennewick

- Towns built on Wine Country Road with over 50 wineries in the area.
- Built on the scenic Columbia River with all the amenities of an urban center, it is easy to see why the Tri-Cities area is one of the fastest growing in Washington.
- Neighboring towns, Sunnyside and Grandview, are rapidly growing with new development and infrastructure.

Southeast Washington / Northeast Oregon: Walla Walla, Milton-Freewater

- Home to the Whitman College of Arts and known for its sweet onion farms and vineyards, Walla Walla is a destination for lovers of fine wine and fine food, as well as an abundance of shopping options and outdoor activities.
- Eight miles south of Walla Walla and set against the beautiful Blue Mountains, Milton-Freewater is a community surrounded by orchards, wheat fields, and vineyards.
